

Pine Crest Athletics Officials Parking for Basketball Games

As we get into the start of the basketball season we wanted to pass along where we are going to park basketball officials for this upcoming season. We are going to ask officials to enter through gate #1 and park in our East Lot which is highlighted in yellow on the map which is attached. This lot will keep the officials separate from spectator parking which is in our garage. This setup should keep us compliant with FHSAA policies with regards to official's safety.

This lot is also used for dismissal for our upper school so there will be restrictions on when officials can enter the lot. From 3:30pm to 4pm officials are not allowed to enter the lot. This 30 minute is when dismissal is the most hectic and our security team will not be able to accommodate any parking during this time. We are asking officials to arrive between 3:15 to 3:30 or after 4:00pm. These restrictions should only affect 4:30 start times.
