

Good Afternoon

I just received word that the BCAA Public Schools have decided to push back the start of the season to January 4, 2021.

This only applies to the public schools. St Thomas, Cardinal Gibbons, Pines Charter and Coral Springs Charter will make their own decisions on delaying the season.

This also does not apply to any private schools. They will make their own decisions. This will have a ripple effect on all schedules. Consequently, I will NOT be releasing a schedule on Sunday, November 22nd.

For teams that are still playing, I will release the schedule for the period November 30th thru December 5th on Saturday, November 28th sometime after 9:00 AM. You will only have 48 hrs. to login to see your assignments.

Going forward, schedules will be released on Saturdays for the following week.

At this time tournaments such as the Kreul and others are still on.

This is a very fluid situation and things will change on a daily basis.

This is all I know at this time. Please check your email on a daily basis.

Thanks
Bob McKinney
